Plots of Land for Construction in Santa Cruz, Madeira Island, Portugal

Are you looking for a plot of land to build your house or for investment?

Do you like a setting in the middle of nature, with a sea view?

Then check out this option!!

Private urbanization consisting of 72 plots of land for construction, with a superb view of the sea, airport and city.

With its slight slope, the 72 plots with different areas and attractive prices, allow the construction of villas with generous areas and stunning views.

It is located close to several services, including the airport, the city of Santa Cruz and its beaches.

This land offers the possibility of building a single storey or 2-storey villa, plus basement. With drinking water, sewage, electricity and cable TV services, you will have all the amenities you need. In addition, this land offers large green areas and wide streets for a quieter life. With 146 visitor parking spaces, you'll have no problem entertaining friends and family.
